

## GSX June 2024 News

### Climate Conference

The meeting in May to review local climate action was well supported, with the panels on Land use, Energy, Transport and the Circular economy. Workshops discussed ideas for the future work and plans will be developed over the coming months.

Zero Carbon Shropshire and South Shropshire Climate Action will be producing a joint newsletter from July.

### Biodiversity

The Wild Life Trusts are supporting the demonstration in London for action on Nature protection, with other organisations, on 22<sup>nd</sup> June. Environment issues are an important consideration for the election. Local hustings will be an opportunity to raise questions,
